

MIDDLE GEORGIA MEDICAL SOCIETY MEETING NOTES MARCH 19, 2017

Alyssa Green, representing the nonprofit advocacy group Georgians for a Health Future, discussed the 240,000 Georgian in the coverage gap created by Georgia refusing to expand Medicaid. MGMS will discuss physician advocacy outreach opportunities at our next meeting.

MUSM SNMA update by Channing Bowers. They will address Hispanic Health in April 2018. Mercer SNMA-MAPS update by President Chidi Ojukwu. They thank MGMS for sponsoring The Red Carpet to Your Dreams Gala on February 23, 2018. They will host Ross Medical University on March 28, 2018 for interested pre-med student. They may post-pone going to SNMA AMEC this Easter in San Francisco, CA due to costs and lack of support from Mercer SGA.

Olin Wiley, CLU discussed Premium financing using permanent life insurance as a vehicle to pass wealth to the next generation and to donate to worthy institutions of higher learning while funding retirement using collateral to finance premiums. It a method for physicians to buy large blocks of insurance without coming out of pocket for the cost, using other dollars to pay for this insurance financed by a select group of banks.

The next MGMS meeting will be Sunday, May 20, 2018, Wingate by Wyndham Macon at 3 pm.
